To Whom it May Concern:

It is my pleasure to write a letter of recommendation for Stu Quittschau for his work in assisting my interstate relocation. Mr. Quittschau is a diligent agent greatly dedicated to his clients. From our initial contact to our last showing, Mr. Quittschau demonstrated honesty, trustworthiness, and a breadth of knowledge regarding the local real estate market. During showings, Mr. Quittschau and I developed a positive rapport quickly. It was apparent at every meeting that Mr. Quittschau is dedicated to his clients' comfort and satisfaction during the process of locating a new home.

I recommend Mr. Quittschau without reservation and look forward to contacting him for my real estate needs in the future.

Sincerely,

A handwritten signature in cursive script that reads "Jenina Kenessey".
